8th November 2021

Years 3 & 4 trip to Clacton

Dear Parent/Carers

On Tuesday the 16th November, years 3 and 4 will be going to Clacton to complete some topic work based on the Victorians and this ties in well with Clacton celebrating it's 150th anniversary.

We will be taking a walking tour to locate and map Victorian buildings and look for features including dates.

Each class will travel by minibus to the Pier, where they will start and finish the tour and then travel back to school in the minibus. The length of the trip will be approximately 2.5 hours. All the children will need sensible walking shoes and a coat.

Please provide your child with a packed lunch on this day, as they will eat when they return to school.

Yours sincerely

Miss Warnes, Mrs Last and Miss Chapman
